OTHER REQUIRED DANCEWEAR:

This season instead of a “specific” leotard, we just ask that you have a nice, clean black leotard handy for any outside performances RSDE may participate in. Also, a solid pair of jazz pants (no writing) are also needed for events and the Finale. Thank you!

TIGHTS: Capezio tights in Caramel (which will match our tan shoes) and Ballet Pink. Any black tights you may need can be Capezio or the Revolution brand we sell at the studio.

We suggest having these in convertible and stirrup for class/performances. Of course we will let you know in advance specifically what is needed for each costume. These are just great to have on hand!
