A Few Friendly Reminders about the Waiting Room...

- The waiting area can be very busy at times. Please try to help students keep their bags and shoes in the cubby holes so chairs and bench area can be used by others who are waiting.
- The instruments in the Band Room are not property of RSDE. Please do not touch them and remind your children that they are not to be touched.
- We do have nut allergies at the studio. Please try to limit the snacks that are brought into the studio to nut-free snacks.
- **Please make sure to keep payment envelopes and copies of rsde materials out of young children hands. I do love the lovely pictures that are being left behind, but please help keep all drawings to just coloring pages or scrap paper. Thank You!**
